Section 3109: Barrier Requirements

As the applicant of the permit, it is your responsibility to call for all required inspections. If you do not know when your inspections are due, please ask the permit clerk for a list of inspections. You must begin work within six months from the date of issuance. If you cannot begin work, please call the Permitting Department at 843-719-4292 to apply for an extension. If you have begun work and are unable to call for your inspections within 6 months, please call the inspector at 843-719-4368 and request a field check on your property.

Applicant Acknowledgement: I understand that the issuance of this permit is contingent upon the above information being correct and that the plans and supporting data have been or shall be provided, as required. I agree to comply with all applicable provisions of Berkeley County's ordinances and the current laws and building standards Berkeley County enforces that may affect the proposed development.

Additionally, I have been advised as to the projects location in relationship to special flood hazard areas, Santee Dam Breach areas, wetland areas and the special or unique requirements of each area.
