Application for Sign Permit

**Please note- A \$25.00 non-refundable Administrative Fee must accompany each sign permit request. **

Please submit two (2) sets of construction drawings and two (2) site drawings showing other signs and/or structures, distance between proposed sign from existing signs and/or structures, and distance from roads and/or property lines. One set should be digital. Please include a **signed and dated contract or proposal** that reflects the total **cost of sign (including labor.)** Signs **must be designed and certified by an engineer and/or architect** using appropriate design criteria for specific projects under the **2006 International Building Codes** or fall under the prescriptive requirements. Certifiable face changes do not require permits. Exceptions may be made by the Chief Building Official.

Encroachment into a right of way requires Encroachment Permit from the Berkeley County Public Works Department. The undersigned acknowledges that if the sign is not erected in conformance with the Berkeley County Zoning Ordinance, he/she will be responsible for its correction or removal upon notification by Berkeley County Building and Codes Enforcement. **Permit valid for a period of six (6) months. If said work has not begun within that six (6) months, the permit will be void.**

~~~~~  
**In addition to the \$25.00 Administrative Fee, a Permit Authorization Card is required for all contractors wishing to do work in the unincorporated areas of Berkeley County. An application for the PAC Card may be obtained from the Permitting Office at 843-719-4292.**
