Cypress Gardens Announces New Website and Launches Free Wi-Fi

MONCKS CORNER, S.C.- (Monday, March 26, 2019) Cypress Gardens is pleased to announce the launch of its newly redesigned website <https://cypressgardens.info>

The new design has a responsive layout with clear navigation.

The functions include:

- A section to purchase tickets to the park (new ticket pricing listed)
- Wedding/facility rentals section
 - View available dates
- Donation section
- Gift shop items listed
- Pictures showcasing the park

Additionally, Cypress Gardens is pleased to announce Wi-Fi is now available throughout the park, thanks to Google. This will help advance educational opportunities at Cypress Gardens and improve digital access in the park.

Cypress Gardens, located at 3030 Cypress Gardens Road in Moncks Corner, was severely damaged in the historic floods of October 2015. Berkeley County immediately closed the park. Since then, funding, timing and weather have all impacted the project, and kept the County from reopening the facilities. The County will host a public celebration for the park's reopening on **Saturday, April 13**. Event info [HERE](#).
