Centennial Boulevard Road Closure Extended through May 17

Subsequent resurfacing road projects delayed one week

MONCKS CORNER, S.C. - (Wednesday, May 8, 2019) The road closure on Centennial Boulevard, in Goose Creek, is being extended to **Friday, May 17**. Crews began cement stabilization on Centennial Boulevard on Monday, May 6 and anticipated re-opening the road on Friday, May 10; however, due to conditions of the road, the work is more extensive than originally anticipated. To ensure the work is properly done, Berkeley County Roads & Bridges will keep the portion of Centennial Boulevard, from Crowfield Boulevard to Gainesborough Drive, closed through **Friday, May 17**.

- Centennial Boulevard (portion from Crowfield Boulevard to Gainesborough Drive)
 - **Road closed** for cement stabilizing until **Friday, May 17**
 - Detour: Residents who normally use Monsarret Lane to exit Cadbury onto Centennial, will be detoured directly onto Gainesborough Drive, via Isherwod Drive. Those who use Monsarret Lane will be detoured to Lowndes Road. This will take them directly onto the open portion of Centennial Boulevard.
- Centennial Boulevard
 - Resurfacing from **Monday, May 20 - Friday, May 24**
 - Motorists should expect traffic delays as work is being performed.
- Hamlet Circle
 - Resurfacing two separate portions of the road (map attached)
 - **Tuesday, May 28 - Friday, May 31**
 - **Monday, June 3 - Friday, June 7**
 - Motorists should expect traffic delays as work is being performed.

A message board will be placed on Crowfield Boulevard, at Centennial Boulevard and Gainesborough Drive, with road closure dates and access to Pinewood Place. Detour signs will be placed at designated areas to control traffic on the road closed dates for Centennial Blvd. All resurfacing work will be controlled by traffic control personnel and the Goose Creek Police Department.

Centennial Boulevard and Hamlet Circle are two of the four Berkeley County road improvement projects recently funded with \$500,000 from the County Transportation Committee (CTC). The other two roads are Discovery Drive and Colony Post Loop, where work is expected to begin in June. More information will come later concerning these two road improvement projects. The majority of work on these roads will be done in-house, by Berkeley County Roads and Bridges Department.

For specific questions, please contact the Berkeley County Roads and Bridges Department at 843-719-4100.
