### **Daniel Island Roundabout Complete, Ribbon-Cutting Planned for July 26**

*Project completed July 19, ahead of schedule and under budget*

**MONCK'S CORNER, S.C.- (Friday, July 26)** Berkeley County will host a ribbon-cutting ceremony for the new Daniel Island Roundabout, at Seven Farms Drive and Daniel Island Drive, at 10 a.m. on Friday, July 26. The public is invited to come together with neighbors and community leaders to celebrate this project, a product of the County's one-cent sales tax.

The final inspection for the project was completed this morning, Friday, July 19, and inspectors confirmed substantial completion.

The project consists of a single-lane roundabout at the intersection of Daniel Island Drive and Seven Farms Drive.

Berkeley County contractors started construction on the roundabout on April 22, 2019. The project was originally expected to be complete by the middle of August; however, it is wrapping-up nearly a month early.

This project is part of the Berkeley County 2014 one-cent sales tax program and was budgeted to cost \$2.4 million; however, it is now estimated to come-in almost \$900,000 under budget.

*I'm thankful for our staff and contractors who efficiently completed this project, ahead of schedule and under budget. We are working diligently at completing all projects on the Berkeley County sales tax referendum; critical infrastructure improvements that would not be possible without the support of the Berkeley County taxpayers.*

-Berkeley County Supervisor Johnny Cribb.
